

Thank you for downloading these templates. I sincerely hope you'll find at least some of them as useful as they were useful in my startup marketing practice. I periodically update these templates and include additional ones. So, you can check www.evolutioncurve.com from time to time.

If you found any mistake or an issue in these templates or have any other kind of suggestions, get in contact with me via startup@evolutioncurve.com

If you see that any additional template would be helpful, let me know your ideas.

Best regards,
